## FOR IMMEDIATE RELEASE

### RAMP WORK COMPLETION ON INTERSTATE 40

**Newberry Springs/Ludlow** – The California Department of Transportation (Caltrans) will re-stripe several newly paved ramps on Interstate 40 from Newberry Springs to Ludlow beginning Monday July 11 through Thursday July 14, 2005. The work hours are Monday through Friday from 7:00 a.m. to 5:00 p.m. The ramps will be re-striped at Desert Oasis Roadside Rest Area, Hector Road, Crucero Road, Newberry Springs, and Fort Cady Road.

One lane of I-40 in both directions will be closed at the ramp closure to allow for worker safety. One complete ramp interchange (north and southbound) will be closed at a time beginning with Desert Oasis Rest Area. The Desert Oasis Rest Area will be closed during the ramp work.

Please drive with caution in the construction area and slow for the closure. Merge when you are directed to do so and **please reduce your speed.** ***Your life or the life of someone else depends on it!***

***SLOW FOR THE CONE ZONE!***
